## **Siouxland Community Foundation Funds Vehicle for Seasons Center**

**SIOUX CENTER, IA** – Seasons Center received a grant award from Siouxland Community Foundation to help fund a vehicle for the agency in their Sioux Center office location. Agency vehicles allow staff to transport clients to and from appointments, our therapeutic camp, Camp Autumn, as well as attend client appointments at their homes or in the community. The HEAL program, Seasons' trauma therapy service requires significant travel for providers who meet clients in the setting where they feel most comfortable.

“We are so grateful to the Siouxland Community Foundation for their support,” says Christina Eggink-Postma, VP Program Coordination and Compliance. “We are able to utilize these funds after working with a local dealership in order to find the most appropriate vehicle to meet the needs of our agency. Transportation is a barrier for accessing services for so many people, and this vehicle will better enable us to serve individuals from across Sioux County.”

Seasons Center employs 10 staff in its Sioux Center office location, including services such as outpatient therapy, substance use disorder services, and trauma therapy.

Seasons is a non-profit organization and has been providing a broad range of psychiatric and behavioral health services to people and communities in Northwest Iowa since 1959. Seasons strives to provide exceptional care to children, families, and adults through skilled, dedicated, and passionate employees who use evidence-based treatment practices and innovative treatment techniques.
