Seasons Center Receives Dickinson County Endowment Foundation Grant

Spencer, IA – Dickinson County Endowment Foundation has awarded Seasons Center for Behavioral Health with a \$1,000 grant to support individuals and families from Dickinson County impacted by COVID-19.

Grant funding can be used to help access traditional behavioral health services (therapy and counseling) and to purchase items to help address unique individual and family situations related to inadequate communication, food insecurities, and other household needs, including activities that support positive family relationships and interaction.

"We feel fortunate to have opportunities such as this grant award from the Dickinson County Endowment Foundation to help us continue to serve our clients to the best of our abilities," said Kim Scorza, CEO/President of Seasons Center. "Our communities needed mental health services before and our communities need mental health services now, especially during these challenging and uncertain times. We're so appreciative of these funds to help us continue to do so."

If you or a loved one is experiencing a mental health crisis or is in need of immediate assistance, please contact our Crisis Line, 24 hours a day, 7 days a week at 844-345-4569.
