

Alex's Place

Crisis Stabilization Services

Provides services to adults 18+ experiencing a mental health crisis which does not require an inpatient level of care. The crisis center is appropriate for individuals that do not require hospitalization but need symptom stabilization assistance and skill-building services to regain stability and wellbeing.

- 4 bed facility offering short term care for up to 5 days
- Residential care setting with 24/7 supervision
- Provides therapy with a licensed mental health therapist and behavioral health skill building with a crisis team member each day

Appropriate for those experiencing one, or more, of the following behaviors:

Criteria which may prohibit an individual from admittance:

- Acute medical condition – Note: individual may be monitored and screened for later acceptance of admission.
- Inability to complete activities of daily living by oneself (toileting, showering, dressing, grooming, etc.)
- Sex offender
- High risk behavior of violence
- Over the legal alcohol limit; may admit after a lab test showing under the legal limit.
- Currently detoxing due to alcohol

Referrals may be made by hospitals, clinics, law enforcement, HHS or someone can refer themselves.
