**3 March 2014**

**For Immediate Release**

## **Seasons Center change of location in Storm Lake**

**Storm Lake, IA.** – Effective March 10, 2014, providers at Seasons Center for Behavioral Health will see clients at a new office location in Storm Lake. Seasons' new facility is located at 608 Geneseo Street, adjacent to the State Farm office.

Remaining in a close partnership with United Community Health Center, the federally qualified health center serving the area, Seasons Center serves all individuals regardless of income. Seasons' move to the new location was necessary due to space limitations at United Community Health Center.

The leased building, which has been newly remodeled and customized for Seasons will allow for expanded services, including Substance Abuse Counseling, Specialized Therapy Services, Psychological Testing, and Psychiatric services. "We are excited to have the expanded space, allowing us to provide a full range of services within the community of Storm Lake. We'd also like to thank the Getting family for all of their efforts in remodeling the building to meet our needs and the needs of our clients." says Jean Drey, Director of Program Development for Seasons Center.

Clients wishing to make an appointment or seek information about the services can call Seasons Center at 1-800-242-5101.
